The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 3. NOTE: The new limitation in claim 1 that the packet is disposed between the cleaning attachment and the carrier "while leaving a portion of the cleaning attachment attached to the carrier by said hook and loop fastener connection" raises new issues and requires further search and/or consideration including the issue of new matter. In claim 4, the limitation that the peel off layer "apart from the cleaning attachment" also raises new issues and requires further search and/or consideration, including the issue of new matter.

Continuation of 11. does NOT place the application in condition for allowance because: Applicant's arguments are directed to the newly proposed limitation which have not been entered for the reasons as set forth above.
